

ANSW Competitions - Registration Instructions

As Sydney Striders is an affiliated member of Athletics NSW, this entitles any Sydney Strider member to register and upgrade their current community membership to a registered athlete. By doing this you are able to compete in ANSW state events.

The instructions below are for Sydney Striders members who want to register and compete as an Open, Concession or Winter ANSW member for 2021/22

1. Go to the link <https://www.revolutionise.com.au/sydneystriders/>
2. There are two different options this will present
 - a. If you have previously logged into Revsport it may remember you and at the top right it will say Hi XXXXX, Account and Logout, you can then go to step 3
 - b. If Revsport does not recognise you it will only display at the top right a Log In option
 - If this is the case when you click on Log In it will then prompt you for a Username and Password
 - If you do not know or remember these there is a Forgot Login Option to use
 - The Forgot Login will then prompt you for either your username or email address.
 - The email address should be the same one you have used for your Strider membership
 - If you do not get an email to reset your password, please contact David saa@sydneystriders.org.au so he can assist.
 - Once you have successfully reset your password and logged in you can proceed to step 3
3. Once successfully logged in you can either click on Account in the top right corner of the page or Update My Details – My Profile option in the middle of the page. Both take you to the same page
4. On this page there are 2 windows
 - a. On the left hand panel is a summary of your profile which we need to use to upgrade at step 5
 - b. On the right hand panel is a full listing of all of the information in Revsport that you can review and update as required and save at the bottom
5. Accessing the left hand panel under the Membership title it will show your Status as a 2021-22 Community Membership and underneath this there is an Actions Upgrade link to click on
6. This will change the right hand panel to Select membership type and show your current Membership category which should be the 2021-22 Community Membership. Underneath this is a box for Upgrade to where you can select which membership you want to pay to upgrade to
7. From this there are only 3 options you should select
 - a. Open Membership – For Striders who are 20+ years and want to run both Summer and Winter (Normally \$150)
 - b. Concession Membership – For Striders under the age of 20 who want to run both Summer and Winter (Normally \$120)
 - c. Winter Membership – For Striders who only want to run the winter season (Normally \$105)
4. When you select the option, you require then select Next Step underneath which will then take you to a Confirm Upgrade panel
5. This will then display your current membership as a Community Athlete and the Upgrade Membership you selected. This will also display the amount due for this upgrade which

should be the amount above less \$15. If this is not the case do not proceed and contact David saa@sydneystriders.org.au to help resolve

6. You need to review all your details listed but at the bottom of the page you need to tick the box to confirm terms of registration and then Confirm Upgrade
7. It will then take you to a payment page for you to pay via credit card. Be aware that this payment also incurs a small payment administration fee applied by the ANSW system

If you have any problems or questions, please contact David saa@sydneystriders.org.au to help resolve rather than proceed and potentially create errors and then extra effort to resolve.

Once you have joined Tony our ANSW liaison officer will be in contact. Contact Tony at: juniors@sydneystriders.org.au

Welcome to the ANSW Sydney Striders Group.
